

VOLKSWAGEN FINANCIAL SERVICES

AKTIENGESELLSCHAFT

Reference

Mr. Terril Joel Nazareth, born on 1998-09-09, began working for our company on 2025-04-01.

From 2025-04-01 to 2025-09-30 Mr. Nazareth worked as intern in our department Analytics & AI.

He primarily fulfilled the following activities:

- Research on esembling models for better pricing quality on different markets
- Performing technical tasks to maintain and further develop our software product

We would like to point out:

He proposed concrete improvements to pricing methods based on insights gained from his research. Additionally, he increased the automation rate of release checks by implementing new tests that support ongoing deployments.

Mr. Nazareth displayed initiative at all times and impressed us with his very keen motivation to work. He proved himself to be an assiduous employee with a good ability to work under pressure, and he also handled all assignments well, even under difficult working conditions. His intellectual grasp enabled him to quickly and successfully familiarise himself with new assignments. Mr. Nazareth was in possession of extensive specialist knowledge. Mr. Nazareth impressed us with the consistently high quality of his work. The scope and pace of his work greatly exceeded our expectations at all times. He could always be relied upon to complete his jobs independently and with great care. He always completed his assignments to our full satisfaction.

Mr. Nazareth was a responsible and universally respected employee who always had a good working relationship with his superiors and colleagues. His conduct towards superiors, colleagues, other employees and customers was always exemplary.

We very much regret his departure and would like to thank Mr. Nazareth for making a successful contribution to the department. We would like to wish him all the best and every success in his future career.
